

INDEPENDENT AUDITOR'S REPORT
To the Members of Hindware Limited

Report on Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Hindware Limited ("the Company"), which comprise the Standalone Balance Sheet as at 31st March 2025, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of the material accounting policies and other explanatory information (hereinafter referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2025, its Profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the standalone financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In Connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement therein, we are required to report that fact.

We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to

issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all

relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in paragraph 2(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended) ("the Rules").
 - c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss including other comprehensive income, the Standalone Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Indian Accounting Standard) Rules, 2015 as amended.
 - e) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the maintenance of accounts and other matters connected herewith, reference is made to our remarks in paragraph 2(h)(vi) below on reporting under Rule 11(g) of the Rules.
 - g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations, on its financial position in its standalone financial statements – Refer Note 49 to the standalone financial statements;
- ii. The Company has made provision, as required under the applicable law or Indian Accounting Standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.;
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv.

- (i) The management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (ii) The management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in aggregate) have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (iii) Based on such audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) above as required by Rule 11(e) of Companies (Audit & Auditors) Rules, 2014, as amended, contains any material mis-statement.

v.

- (a) The final dividend proposed in the previous financial year, declared and paid by the Company during the year, is in compliance with section 123 of the Companies Act, 2013
- (b) The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members in the ensuing General meeting. The amount of dividend proposed is in accordance with section 123 of the Companies Act, 2013.
(Note No. 59).

- vi. Based on our examination, which included test checks, the Company has a widely used ERP as its accounting software for maintaining its books of account during the year ended 31st March 2025, which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year except (a) at database level the audit trail has not been enabled, (b) at application the audit trail was disabled from 2nd December 2024 to 09th December 2024 due to upgradation of SAP accounting software, and (c) the audit trail feature was not enabled on certain relevant financial tables and privileged access to specific users to make direct changes to audit trail settings. Further, the audit trail, to the extent maintained in the prior year, has been preserved by the Company as per the statutory requirements for record retention. Also, refer Note 61 to the financial statements.
- i) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid / provided by the Company to its directors during the year is in accordance with the provisions of Section 197 read with Schedule V to the Act.

Annexure - A to the Auditors' Report

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of the Hindware Limited on the financial statements as of and for the year ended 31st March 2025)

- (i) (a)(A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) As per the physical verification program, certain Property, Plant and Equipment were physically verified during the year by the Management, based on program designed to cover all the items over a period of three years in a phased manner. Accordingly during the year, certain items have been physically verified which, in our opinion, provides for physical verification at reasonable intervals having regards to the size of the Company and the nature of its property plant and equipment. Based on information and records provided, no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the property tax receipts and lease agreements and/ or registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title deeds of all the immovable properties disclosed (except properties where the Company is the lessee and lease agreements are duly executed in the favour of the Company) in the financial statements and included in property, plant and equipment and are held in the name of the Company as at the balance sheet date.
- (d) The Company has not revalued any of its property, plant and equipment (including Right of Use assets) and intangible assets during the year.
- (e) According to the information and explanations given to us and records provided, no proceedings have been initiated during the year or are pending against the Company as at March 31, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) As per the physical verification program, the inventories of the Company (except stock lying with the third parties and in transit) were physically verified during the year by the Management at reasonable intervals. In our opinion and according to the information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. Discrepancies noticed were not of 10% or more in the aggregate for each class of inventories on such physical verification of inventories when compared with books of account.

(b) According to the information and explanations given to us and as per the records verified, the Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from banks on the basis of security of current assets. The Company has filed quarterly returns or statements with the banks in lieu of the sanctioned working capital facility, which are generally in agreement with the books of account and there has been no material discrepancy.

(iii)(a) The Company has neither made any investments nor provided any guarantee or security to companies, firms, limited liability partnerships or any other parties during the year. In respect of loan given to parties, details are as follows:

	(₹ in lakh)
	Loans
A. Aggregate amount granted/provided during the year:	
Loan to Holding Company	1,500.00
B. Balance outstanding as at balance sheet date in respect of above cases:	
Loan to Holding Company	0.00

(b) The Company has not made any investment during the year.

(c) In respect of loans granted by the Company to holding company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are regular.

(d) According to information and explanations given to us and based on the audit procedures performed, in respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.

(e) No loan or advance in the nature of loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.

(f) According to information and explanations given to us and based on the audit procedures performed, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(f) is not applicable.

(iv) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investment or provided any guarantee or security as specified under section 185 and 186 of the Companies Act, 2013. In respect of the loans given by the Company, in our opinion the

provisions of Section 185 and 186 of the Act have been complied with.

- (v) The Company has neither accepted any deposit from the public nor accepted any amounts which are deemed to be deposit within the meaning of Sections 73 to 76 of the Companies Act, 2013 and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report under this clause is not applicable to the Company.
- (vi) The Central Government has not prescribed the maintenance of cost records under sub-section (1) of section 148 of the Act, for the business carried out by the Company. Accordingly, paragraph 3(vi) of the order is not applicable.
- (vii) (a) According to the records of the Company, the Company is generally regular in depositing undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues with the appropriate authorities (though there has been a slight delay in a few cases) to the extent applicable.

There were no undisputed statutory dues payable in respect of goods and service tax, provident fund, employees' state insurance, income-tax, sales tax, service tax, duty of custom, duty of excise, value added tax, cess and other material statutory dues in arrears as at 31st March 2025, for a period of more than six months from the date they became payable, except for undisputed dues relating to labour welfare fund of Rs. 0.37 Lakhs.

- (b) According to the records and information & explanations given to us, details of statutory dues referred to in sub-clause (a) above which have not been deposited as on 31st March 2025 on account of disputes are given below:

*Appeal filed after 31st March, 2025.

- (viii) There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.
- (ix)(a) In our opinion, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

- (c) To the best of our knowledge and belief and information and records provided, in our opinion, term loans availed by the Company were, applied by the Company during the year for the purposes for which the loans were obtained.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) On an overall examination of the financial statements of the Company and based on the representations of the Company, we report that the Company has neither taken any funds from any entity or person during the year nor it has raised funds through issue of shares or borrowings on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) The Company has not raised loans during the year on the pledge of securities held in its Subsidiaries or joint ventures or associate companies.
- (x)(a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under this clause 3(x)(b) of the Order is not applicable to the Company.
- (xi)(a) Based on the audit procedures performed and on the basis of information and explanations given by the management, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) We have taken into consideration the whistle blower complaints received by the Company during the year while determining the nature, timing and extent of audit procedures.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a nidhi company and hence reporting under clause 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations and records made available by the management of the Company and audit procedures performed, the Company is in compliance with Section 177 and 188 of the Companies Act, where applicable, for all transactions with the related parties and the details of related party transactions have

been disclosed in the financial statements as required by the applicable Indian accounting standards.

(xiv)(a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.

(b) We have considered, the internal audit reports issued to the Company during the year and till date in determining the nature timing and extent of our audit procedure.

(xv) On the basis of records made available to us and according to information and explanations given to us, the Company has not entered into non-cash transactions with the directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

(xvi) As per the information and representation provided, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934 and hence reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable. As per the information and representation provided by the management, the group does not have any Core Investment Company (CIC) within the group (as defined in Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.

(xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors of the Company during the year.

(xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company and/ or certificate with respect to meeting financial obligations by the Company as and when they fall due. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there are no unspent CSR amount for the year requiring a

transfer to a Fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, reporting under clause 3(xx) of the Order is not applicable for the year.

- (xxi) The Company has not prepared the Consolidated Financial Statements by availing the exemption mentioned in the Notification 742(E) dated 27th July 2016 issued by Ministry of Corporate Affairs and paragraph 4(a) of Ind AS 110 "Consolidated Financial Statements" and accordingly reporting under clause 3(xxi) of the Order is not applicable.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2(g) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls with reference to standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to standalone financial statements of Hindware Limited (“the Company”) as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of director of the company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to standalone financial statements of the company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to standalone financial statements of the company.

Meaning of Internal Financial Controls with reference to standalone financial statements

A company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Limitations of Internal Financial Controls with reference to standalone financial statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Hindware Limited

Material accounting policies and other explanatory information to the standalone financial statements for the year ended 31 March 2025

1. Corporate information

Hindware Limited (the 'Company') is a public limited company incorporated in India under the Companies Act 2013. The registered office of the Company is located in Kolkata and the corporate office is in Gurugram. The Company is engaged into the business of Manufacturing and trading of Building products. The Company is subsidiary of Hindware Home Innovation Limited.

These financial statements were approved and authorized for issue in accordance with the resolution of the Company's Board of Directors on 12th May 2025.

2. Application of new and revised Indian Accounting Standard ("Ind AS")

All the Ind AS issued and notified by the Ministry of Corporate Affairs under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) till the standalone financial statements are authorized have been considered in preparing these standalone financial statements.

2.1 Recent accounting pronouncements

Introduction of Ind AS 117

MCA notified Ind AS 117, a comprehensive standard that prescribe, recognition, measurement and disclosure requirements, to avoid diversities in practice for accounting insurance contracts and it applies to all companies i.e., to all "insurance contracts" regardless of the issuer. However, Ind AS 117 is not applicable to the entities which are insurance companies registered with IRDAI. Additionally, amendments have been made to Ind AS 101, First-time Adoption of Indian Accounting Standards, Ind AS 103, Business Combinations, Ind AS 105, Non-current Assets Held for Sale and Discontinued Operations, Ind AS 107, Financial Instruments: Disclosures, Ind AS 109, Financial Instruments and Ind AS 115, Revenue from Contracts with Customers to align them with Ind AS 117. The amendments also introduce enhanced disclosure requirements, particularly in Ind AS 107, to provide clarity regarding financial instruments associated with insurance contracts.

Amendments to Ind AS 116

Lease liability in a sale and leaseback The amendments require an entity to recognise lease liability including variable lease payments which are not linked to index or a rate in a way it does not result into gain on Right of use asset it retains. The Company has reviewed the new pronouncements and based on its evaluation has determined that these amendments do not have impact on the Company's Financial Statements.

3. Material accounting policies and other explanatory information

3.1 Statement of compliance with Indian Accounting Standards (Ind AS)

The standalone financial statements of the Company have been prepared in accordance with Ind AS notified by the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. (as amended) and presentation requirement of division II of the schedule III of the companies act 2013. Accordingly, the standalone financial statements for the year ended 31 March 2025 are prepared complying applicable Ind AS.

Hindware Limited

Material accounting policies and other explanatory information to the standalone financial statements for the year ended 31 March 2025

3.2 Historical cost convention

These standalone financial statements have been prepared on a historical cost convention except where certain financial assets and liabilities have been measured at fair value. (refer accounting policy of financial instruments)

3.3 Business combinations

Business combinations involving entities under common control are accounted for using the pooling of interest's method. The net assets of the transferor entity or business are accounted at their carrying amounts on the date of the acquisition subject to necessary adjustments required to harmonise accounting policies. Any excess or shortfall of the consideration paid over the share capital of transferor entity or business is recognised as capital reserve under equity.

The Company accounts for business combinations using the acquisition method of accounting, and accordingly, the identifiable assets acquired and the liabilities assumed in the business are recorded at their acquisition date fair values (except certain assets and liabilities which are required to be measured as per the applicable standard) The consideration transferred for the acquisition of a business is aggregation of the fair values of the assets transferred, the liabilities incurred and the equity interests issued by the Company in exchange for control of the business.

The consideration transferred also includes the fair value of any asset or liability resulting from a contingent consideration arrangement. Any contingent consideration transferred is recognised at fair value at the acquisition date. Contingent consideration classified as an asset or liability is subsequently measured at fair value with changes in fair value recognised in statements of profit or loss. Contingent consideration that is classified as equity is not re-measured, and its subsequent settlement is accounted for within equity.

3.4 Goodwill

Goodwill represents the future economic benefits arising from a business combination that are not individually identified and separately recognised. Goodwill is carried at cost less accumulated impairment losses.

3.5 Revenue Recognition

Revenue from contracts with customers are recognized when the performance obligation towards customer have been made i.e on transfer of control of promised goods or services to a customer at an amount that reflects the consideration to which the Company is expected to be entitled to in exchange for those goods or services.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. Revenue is recognized net of sales reductions such as discounts and sales incentives granted. This variable consideration is estimated based on the expected value of outflow.

Sale of products:

Revenue from the sale of products is recognized when the Company has transferred control of the goods to the buyer and the buyer obtains the benefits from the goods, the potential cash flows and

Hindware Limited

Material accounting policies and other explanatory information to the standalone financial statements for the year ended 31 March 2025

the amount of revenue (the transaction price) can be measured reliably, and it is probable that the Company will collect the consideration to which it is entitled to in exchange for the goods.

Sales-related warranties associated with the goods are integral to sales price and cannot be purchased separately, hence they serve as an assurance that the products sold comply with agreed-upon specifications. Accordingly, the Company accounts for warranties in accordance with Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets.

Rendering of services:

Revenue from services is recognized over time by measuring progress towards satisfaction of performance obligation for the services rendered.

Interest and dividends

Interest income and expenses are reported on an accrual basis using the effective interest method. Dividends are recognised at the time the right to receive payment is established.

3.6 Leases

The Company's lease asset classes primarily consist of leases for Land and Buildings. The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) The contract involves the use of an identified asset
- (ii) The Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) The Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short term leases) and leases of low value assets. For these short term and leases of low value assets, the Company recognises the lease payments as an operating expense on a straight line basis over the term of the lease.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made.

Hindware Limited

Material accounting policies and other explanatory information to the standalone financial statements for the year ended 31 March 2025

A lease liability is remeasured upon the occurrence of certain events such as a change in the lease term or a change in an index or rate used to determine lease payments. The remeasurement normally also adjusts the leased assets.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

3.7 Foreign currency transactions and translations

Initial recognition

The Company's standalone financial statements are presented in INR, which is also the Company's functional currency. Transactions in foreign currencies are recorded on initial recognition in the functional currency at the exchange rates prevailing on the date of the transaction.

Measurement at the balance sheet date

Foreign currency monetary items of the Company, outstanding at the balance sheet date are restated at the year-end rates. Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

Treatment of exchange difference

Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of the Company's monetary items at the closing rate are recognised as income or expenses in the period in which they arise.

3.8 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are capitalised during the period of time that is necessary to complete and prepare the asset for its intended use or sale.

All other borrowing costs are expensed in the period in which they are incurred and reported in finance cost.

3.9 Employee benefits

Employee benefits include provident fund, pension fund, gratuity and compensated absences.

Defined contribution plans

The Company's contribution to provident fund and pension fund is considered as defined contribution plan and is charged as an expense as they fall due based on the amount of contribution required to be made and when services are rendered by the employees. The Company has no legal or constructive obligation to pay contribution in addition to its fixed contribution.

Defined benefit plans

For defined benefit plans in the form of gratuity, the cost of providing benefits is determined using 'the Projected Unit Credit method', with actuarial valuations being carried out at each Balance Sheet

Hindware Limited

Material accounting policies and other explanatory information to the standalone financial statements for the year ended 31 March 2025

date. Re-measurements, comprising of actuarial gains and losses are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Re-measurements are not reclassified to the statement of profit and loss in subsequent periods. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost.

Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service. The cost of such compensated absences is accounted as under:

- (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (b) in case of non-accumulating compensated absences, when the absences occur.

Long-term employee benefits

Compensated absences which are allowed to be carried forward over a period in excess of 12 months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the Balance Sheet date out of which the obligations are expected to be settled.

3.10 Taxation

Tax expense recognised in the statement of profit or loss comprises the sum of deferred tax and current tax not recognised in other comprehensive income or directly in equity.

Current tax

Current income tax assets and/or liabilities comprise those obligations to, or claims from, tax authorities relating to the current or prior reporting periods, that are unpaid at the reporting date. Current tax is payable on taxable profit, which differs from profit or loss in the financial statements. Calculation of current tax is based on tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period. Deferred income taxes are calculated using the liability method on temporary differences between the carrying amounts of assets and liabilities and their tax bases.

Deferred tax

Deferred tax assets are recognised to the extent that it is probable that the underlying tax loss or deductible temporary difference will be utilised against future taxable income.

Deferred tax liabilities are generally recognised in full, although Ind AS 12, Income Taxes, specifies limited exemptions.

Changes in deferred tax assets or liabilities are recognised as a component of tax income or expense in the statement of profit or loss, except where they relate to items that are recognised in other comprehensive income or directly in equity, in which case the related deferred tax is also recognised in other comprehensive income or equity, respectively.

Hindware Limited

Material accounting policies and other explanatory information to the standalone financial statements for the year ended 31 March 2025

3.11 Operating cycle

Based on the nature of products/activities of the Company and the normal time between purchase of raw materials and their realisation in cash or cash equivalents, the Company has determined its operation cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

3.12 Operating expenses

Operating expenses are recognised in statement of profit or loss upon utilisation of the service or as incurred. Expenditure for warranties is recognised when the Company incurs an obligation, which is usually when the related goods are sold.

3.13(a) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses, if any.

Property, plant and equipment are stated at their original cost including freight, duties, taxes and other incidental expenses relating to acquisition and installation.

The carrying amount of assets, including those assets that are not yet available for use, are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, recoverable amount of asset is determined. An impairment loss is recognised in the statement of profit and loss whenever the carrying amount of an asset exceeds its recoverable amount. An impairment loss is reversed only to the extent that the carrying amount of asset does not exceed the net book value that would have been determined if no impairment loss had been recognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

(b) Intangible assets

Intangible are stated at cost less accumulated amortisation and impairment losses, (if any). Cost related to technical assistance for new projects are capitalized.

(c) Capital work-in-progress

Expenditure incurred during the period of construction, including all direct and indirect expenses, incidental and related to construction, is carried forward and on completion, the costs are allocated to the respective property, plant and equipment. Capital work-in-progress includes capital inventory.

3.14 Depreciation and amortisation

Depreciation is charged on a pro-rata basis on the straight line method at rates prescribed in Schedule II to the Companies Act, 2013 and is charged to the statement of profit and loss. Freehold land is not depreciated.

Hindware Limited**Material accounting policies and other explanatory information to the standalone financial statements for the year ended 31 March 2025**

The estimated useful life of the items of property, plant and equipment are as follows:

Asset class	Useful life
Property, plant and equipment	
Plant and machinery	7.5-40 years** #
Buildings	10-70 years^
Furniture and fixtures	up to 10 years
Office equipment	up to 5 years
Computer	3-6 years
Vehicles	8 years*
Intangible assets	
Software	6 years

* Vehicles are being depreciated using written down value method as per life of 8 years mentioned in Schedule II of the Act

** Moulds, included in Plant and machinery, are depreciated over a lesser useful life than mentioned in above table depending on the actual use of the asset

Plant and machinery of the pipe division are depreciated over a life of 10 to 20 years which is different from life prescribed in Schedule II of the Act, based on independent chartered engineer certificate

^Temporary sheds, included in buildings are depreciated over a lesser useful life than mentioned in above table depending on the actual use of the asset

3.15 Impairment of property, plant and equipment and intangible assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable and impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash generating units). If at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost and the same is accordingly reversed in the statement of profit and loss.

3.16 Investment in Associates, Joint Ventures and Subsidiaries

The Company has accounted for its investment in subsidiaries, associates and joint venture at cost less impairment, if any

3.17 Investment in Mutual Funds

Investments in Mutual Funds are accounted for at cost. Any subsequent fair value gain or loss is recognized through Profit or Loss Account.

Hindware Limited

Material accounting policies and other explanatory information to the standalone financial statements for the year ended 31 March 2025

3.18 Cash and cash equivalents

Cash and cash equivalents comprise cash in hand and demand deposits, together with other short-term, highly liquid investments maturing within 90 days from the date of acquisition. Cash and cash equivalent are readily convertible into known amounts of cash and are subject to an insignificant risk of changes in value.

3.19 Cash flow statement

Cash flows are reported using the indirect method, whereby profit/loss before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments.

3.20 Inventories

Inventories are stated at the lower of cost and net realisable value. The cost of inventories comprises of all costs of purchase, (net of tax credits where applicable) costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

Costs of inventories are determined on weighted average basis. Net realisable value is the estimated selling price in the ordinary course of business less any applicable selling expenses.

3.21 Provisions and contingencies

A provision is recognised in the standalone financial statements where there exists a present obligation as a result of a past event, the amount of which can be reliably estimated, and it is probable that an outflow of resources would be necessitated in order to settle the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognised but are disclosed in the notes unless the outflow of resources is considered to be remote. Contingent assets are neither recognised nor disclosed in the standalone financial statements.

3.22 Equity, reserves and dividend payments

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax, from the proceeds.

Retained earnings include current and prior period retained profits. All transactions with owners of the Company are recorded separately within equity.

Dividend distribution payable to equity shareholders are included in other liabilities when the dividends have been approved in a general meeting prior to the reporting date.

3.23 Earnings per share

Basic earnings or loss per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

Hindware Limited

Material accounting policies and other explanatory information to the standalone financial statements for the year ended 31 March 2025

For the purpose of calculating diluted earnings or loss per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

3.24 Fair value measurement

The Company measures financial instruments such as investments in mutual funds, investment in certain equity shares etc. at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability at the measurement date.

All assets and liabilities for which fair value is measured or disclosed in the standalone financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

3.25 Financial instruments

I. Financial assets

a. Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset, which are not at fair value through profit and loss, are added to fair value on initial recognition. Transaction costs of financial assets carried at fair value through profit or loss are expensed in statement of profit and loss. However, trade receivable that do not contain a significant financing component are measured at transaction price.

b. Subsequent measurement

(i) Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial assets at fair value through other comprehensive income (FVOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are subsequently fair valued through statement of profit and loss.

c. Impairment of financial assets

(i) The Company assesses on a forward looking basis the expected credit losses (ECL) associated with its assets measured at amortised cost and assets measured at fair value through other comprehensive income. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 45 details how the Company determines whether there has been a significant increase in credit risk.

(ii) Investments in subsidiaries, associates and joint ventures are carried at cost/deemed cost applied on transition to Ind AS, less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of investment is assessed and an impairment provision is recognised, if required immediately to its recoverable amount, being the higher of value in use or fair value less costs to sell. On disposal of such investments, difference between the net disposal proceeds and carrying amount is recognised in the statement of profit and loss

d. Derecognition of financial assets

A financial asset is derecognised when:

- The Company has transferred the right to receive cash flows from the financial assets or
- Retains the contractual rights to receive the cash flows of the financial assets, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity transfers the financial asset, it evaluates the extent to which it retains the risk and rewards of the ownership of the financial assets. If the entity transfers substantially all the risks and rewards of ownership of the financial asset, the entity shall derecognise the financial asset and recognise separately as assets or liabilities any rights and obligations created or retained in the transfer. If the entity retains substantially all the risks and rewards of ownership of the financial asset, the entity shall continue to recognise the financial asset.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of the ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial assets. Where the Company retains control of the financial assets, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

II. Financial liabilities

a. Initial recognition and subsequent measurement

All financial liabilities are recognized initially at fair value and in case of borrowings and payables, net of directly attributable cost.

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments. Changes in the amortised value of liability are recorded as finance cost.

Hindware Limited

Material accounting policies and other explanatory information to the standalone financial statements for the year ended 31 March 2025

III. Fair value of financial instruments

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices. All methods of assessing fair value result in general approximation of value, and such value may vary from actual realization on future date.

IV. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

3.26 Derivative financial instruments

The Company enters into a variety of derivative financial instruments to manage its exposure to interest rate and foreign exchange rate risks, including foreign exchange forward contracts, interest rate swaps and cross currency swaps.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently re-measured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in statement of profit and loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in the statement of profit and loss depends on the nature of the hedging relationship and the nature of the hedged item.

3.27 Material accounting judgements, estimates and assumptions

The preparation of the Company's standalone financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the standalone financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

(i) Estimation of defined benefit obligation

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is

Hindware Limited

Material accounting policies and other explanatory information to the standalone financial statements for the year ended 31 March 2025

highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(ii) Estimation of current tax and deferred tax

Management judgment is required for the calculation of provision for income - taxes and deferred tax assets and liabilities. The Company reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to adjustment to the amounts reported in the standalone financial statements.

(iii) Useful lives of depreciable assets

Management reviews its estimate of the useful lives of depreciable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technological obsolescence that may change the utility of certain property, plant and equipment.

(iv) Impairment of trade receivables

Trade receivables do not carry any interest and are stated at their normal value as reduced by appropriate allowances for estimated irrecoverable amounts. Individual trade receivables are written off when management deems them not to be collectible. Impairment is recognised based on the expected credit losses, which are the present value of the cash shortfall over the expected life of the financial assets.

(v) Fair value measurement

Management uses valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management bases its assumptions on observable data as far as possible but this is not always available. In that case management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

Note 6 - Goodwill

Particulars	(₹ in lakh)	
	As at 31 March 2025	As at 31 March 2024
Goodwill	191.00	191.00
	191.00	191.00

Reconciliation of the carrying amount of goodwill at the beginning and end of the reporting period

Particulars	(₹ in lakh)
	Amount
Balance as at 1 April 2023	191.00
Impairment for the year	-
Balance as at 31 March 2024	191.00
Impairment for the year	-
Balance as at 31 March 2025	191.00

The Company tests goodwill annually for impairment, or more frequently if there are indications that goodwill might be impaired.

The recoverable amounts of the cash generating units ("CGU") is determined from value in use calculation. The key assumptions for the value in use calculations are those regarding the discount rates, growth rates and expected changes to selling prices and direct costs during the year. These assumptions have been determined in light of the economic environment which has resulted in more conservative estimates about the future. Management estimates discount rates using pre-tax rates that reflect current market assessments of the time value of money and the risks specific to the CGU. Changes in selling prices and direct costs are based on past practices and expectations of future changes in the market.

The Company has conducted a sensitivity analysis on the impairment test of CGU carrying value. Change in the discount rate and growth rate by +/- 1% points would not impact in carrying value of goodwill (with other factors remains constant).

Value in use has been determined by discounting the future cash flows generated from the continuing use of the unit. The calculation of the value in use is based on the following key assumptions :

Particulars	As at 31 March 2025	As at 31 March 2024
Discount rate	13.73%	15.75%
Terminal value of growth rate	4.00%	4.00%

The estimated recoverable amount of goodwill is not lower than the carrying amount at year end , consequently the company has not provided for any impairment loss.

Balance as at 31 March 2024	401.08
Additional provisions recognised (included in Other expenses)	5.00
Utilised during the year	-
Balance as at 31 March 2025	406.08

Warranty claims:

The provision for warranty claims represent the present value of best estimate of the future outflow of economic benefits that will be required under the Company obligations for warranties under the local sale of goods. The estimate has been made based on historical warranty trends and may vary as a result of new materials, altered manufacturing process or other events. Assumptions used to calculate the provision for warranties were based on current sales levels and current information available about returns based on warranty period of certain products up to 12 years.

Note 45 - Financial instruments and risk review

Capital management

The Company manages its capital to be able to continue as a going concern while maximising the returns to shareholders through optimisation of the debt and equity balance. The capital structure consists of debt which includes the borrowings as disclosed in note 23 and 28; cash and cash equivalents as disclosed in note 17 and equity attributable to equity holders of the Company, comprising issued share capital, reserves and retained earnings as disclosed in the Statement of changes in equity. For the purpose of calculating gearing ratio, debt is defined as non current and current borrowings (excluding derivatives). Equity includes all capital and reserves of the Company attributable to equity holders of the Company. The Company is not subject to externally imposed capital requirements. The Board reviews the capital structure and cost of capital on an annual basis but has not set specific targets for gearing ratios. The risks associated with each class of capital are also considered as part of the risk reviews presented to the Board of Directors.

The following table summarises the capital of the Company

	Note	As at 31 March 2025	As at 31 March 2024

Financial risk management objective

The Company is exposed to various risks in relation to financial instruments. The main types of risks are market risk, credit risk and liquidity risk. The Company is not engaged in speculative treasury activities but seeks to manage risk and optimise interest and commodity pricing through proven financial instruments.

The use of any derivative is approved by the management, which provide guidelines on the acceptable levels of interest rate risk, credit risk, foreign exchange risk and liquidity risk and the range of hedging requirement against these risks.

<This space has been intentionally left blank>

Note 45 - Financial instruments and risk review (contd.)

Credit risk:

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to financial loss. The Company is exposed to credit risk for receivables, cash and cash equivalents, short term investments, financial guarantee and derivative financial instruments.

Cash and cash equivalents and short term investments

The Company considers factors such as track record, size of institution, market reputation and service standard to select the banks with which deposits are maintained. Generally the balances are maintained with the institutions with which the Company has also availed borrowings. The Company does not maintain significant deposit balances other than those required for its day to day operations.

Trade receivables

The Company extends credits to customer in normal course of the business. The Company considers the factors such as credit track record in the market of each customer and past dealings for extension of credit to the customer. The Company monitors the payment track record of each customer and outstanding customer receivables are regularly monitored. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located at several jurisdiction and industries and operate in large independent markets. The Company also takes advances and security deposits from customers which mitigate the credit risk to an extent.

The average credit period taken on sales of goods is 30 to 60 days. Generally, no interest has been charged on the receivables. Allowances against doubtful debts are recognised against trade receivables based on estimated irrecoverable amounts determined by reference to past default experience of the counterparty and an analysis of the counterparty's current financial position.

Before accepting any new customer, the Company uses an internal credit system to assess the potential customer's credit quality and defines credit limits by customer. Limits attributed to customers are reviewed periodically. There are no customers who represent more than 10 per cent of total net revenue from operations

The Company does not hold any collateral or other credit enhancements over any of its trade receivables nor does it have a legal right of offset against any amounts owed by the Company to the counterparty.

Expected credit loss :

The Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward-looking information. The expected credit loss allowance is based on the ageing of the days the receivables are due and the rates as given in the provision matrix. The provision matrix at the end of the reporting period is as follows:

Ageing	Expected credit loss (%)
Not due for payment	0
Up to 6 months	0
From 6 months to 1 year	0
From 1 year to 3 years	10 to 100
More than 3 years	100

Ageing of trade receivables	(₹ in lakh)	
Period	As at 31 March 2025	As at 31 March 2024
Not due for payment	17,511.66	16,523.40
Up to 6 months	20,739.21	15,793.31
From 6 months to 1 year	1,536.16	1,227.61
From 1 year to 3 years	2,327.32	1,729.08
More than 3 years	4,636.99	3,964.78

Ageing of impaired trade receivables	(₹ in lakh)	
Period	As at 31 March 2025	As at 31 March 2024
Up to 6 months	-	-
From 6 months to 1 year *	-	-
From 1 year to 3 years	388.91	286.66
More than 3 years	4,636.99	3,964.78

* Based upon lifetime expected credit loss

Liquidity risk:

Liquidity risk reflects the risk that the Company will have insufficient resources to meet its financial liabilities as they fall due.

The Company's objective is to maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company relies on a mix of borrowings, capital infusion and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium term expansion needs. The Company monitors rolling forecasts of its liquidity requirements to ensure that it has sufficient cash to meet operational needs while maintaining sufficient headroom on its undrawn committed borrowing facilities so that it does not breach borrowing limits.

<This space has been intentionally left blank>

Note 45 - Financial instruments and risk review (contd.)

The table below provides undiscounted cash flows towards non-derivative financial liabilities into relevant maturity based on the remaining period at the balance sheet date to the contractual maturity date and, where applicable, their effective interest rates.

(₹ in lakh)					
As at 31 March 2025					
Particulars	Notes	not later than one year	later than one year and not later than five years	later than five years	Total
Financial liabilities					
Borrowings - loans	23,28	35,685.57	38,067.85	7,214.75	80,968.17
Current payables	29,30,31	56,353.50	-	-	56,353.50
Non-current payables	24,25	-	8,995.21	9,236.33	18,231.54
Total		92,039.07	47,063.06	16,451.08	1,55,553.21

(₹ in lakh)					
As at 31 March 2024					
Particulars	Notes	not later than one year	later than one year and not later than five years	later than five years	Total
Financial liabilities					
Borrowings - loans	23,28	40,444.42	28,779.71	4,540.01	73,764.14
Current payables	29,30,31	47,574.36	-	-	47,574.36
Non-current payables	24,25	-	10,257.77	11,650.40	21,908.17
Total		88,018.78	39,037.48	16,190.41	1,43,246.67

Market risk

The Company's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and interest rates.

Currency risk

The Company undertakes various transactions denominated in foreign currencies, consequently, exposure to exchange rate fluctuations arise. Exchange rate exposures are managed within approved policy parameters utilising forward foreign exchange contracts.

The Company transacts business primarily in Indian Rupee, USD, CNY and EUR. The Company has foreign currency payables and receivables and is therefore, exposed to foreign exchange risk. Certain transactions of the Company act as a natural hedge as a portion of both assets and liabilities are denominated in similar foreign currencies. For the remaining exposure to foreign exchange risk, the Company adopted a policy of selective hedging based on risk perception of the management. Foreign exchange hedging contracts are carried at fair value.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

(in lakh)				
Particulars	Currency	As at 31 March 2025	As at 31 March 2024	
Receivables	USD	0.33	1.58	
Payables	USD	138.88	87.34	
	EUR	0.20	0.32	
	CNY	2.02	0.20	

Currency rate

	As at 31 March 2025	As at 31 March 2024
USD	85.5814	83.3739
EUR	92.3246	90.2178
CNY	11.7676	11.6725

Of the above foreign currency exposures, following exposures are not hedged:

(in lakh)				
Particulars	Currency	As at 31 March 2025	As at 31 March 2024	
Receivables	USD	0.33	1.58	
Payables	USD	138.88	87.34	
	EUR	0.20	0.32	
	CNY	2.02	0.20	

<This space has been intentionally left blank>

Note 45 - Financial instruments and risk review (contd.)

Sensitivity analysis

The following table demonstrates the sensitivity of profit and equity in USD , CNY and EUR to the Indian Rupee with all other variables held constant. The impact on the Company's profit before tax and other comprehensive income due to changes in the fair value of monetary assets and liabilities is given below:

(₹ in lakh)			
Currency	Change in currency exchange rate	Effect on profit before tax 31 March 2025	Effect on profit before tax 31 March 2024
USD	5%	(592.86)	(357.50)
	-5%	592.86	357.50
EUR	5%	(0.90)	(1.46)
	-5%	0.90	1.46
CNY	5%	(1.19)	(0.12)
	-5%	1.19	0.12

This is mainly attributable to the exposure outstanding on foreign currency receivables and payables in the Company at the end of each reporting period.

Interest rate risk

The Company's exposure to the risk of changes in market interest rates relates primarily to long term debts. Its objective in managing its interest rate risk is to ensure that it always maintain sufficient head room to cover interest payment from anticipated cash flows which is regularly reviewed by the board/nominated committee as well.

The following table demonstrates the sensitivity in the interest rate with all other variables held constant. The impact on the Company's profit before tax and other comprehensive income due to changes in the interest rates is given below :

(₹ in lakh)			
Particulars	Change in interest rate	Effect on profit before tax 31 March 2025	Effect on profit before tax 31 March 2024
Long term borrowings	0.50%	(293.47)	(219.68)
	-0.50%	293.47	219.68

Commodity risk

The Company is exposed to the movement in the price of key traded goods in the domestic and international markets. The Company has in place policies to manage exposure to fluctuation the prices of key traded goods. The Company enter into contracts for procurement of traded goods, most of the transactions are short term fixed price contract and a few transactions are long term fixed price contracts.

<This space has been intentionally left blank>

Note 46 - Employee benefits

A. Defined contribution plan

The Company operates defined contribution retirement benefit plans for all employees. The Provident Fund contributions are made to Regional Provident Fund, the Company has no further obligations beyond its monthly contributions.

The Company's contribution to Provident Fund and Superannuation Fund aggregating to ₹ 1,288.91 lakh (previous year ₹ 1,416.05 lakh) net of amount capitalized has been recognised in the Statement of Profit and Loss under the head Employee Benefits Expense.

B. Defined benefit plans

Gratuity

The Company operates a gratuity plan covering qualifying employees. The benefit payable is the greater of the amount calculated as per the Payment of Gratuity Act, 1972 or the Company Scheme applicable to the employee. The benefit vests upon completion of five years of continuous service and once vested it is payable to employees on retirement or on termination of employment. In case of death while in service, the gratuity is payable irrespective of vesting. The Company makes annual contribution to the group gratuity Scheme administered by the Birla Sun Life Insurance Company Limited.

Details of the Company's defined benefit plans are as follows:

Particulars	(₹ in lakh)	
	Gratuity (Funded plan)	
	31 March 2025	31 March 2024
Current service cost	356.38	350.12
Net interest expense/(income)	37.79	35.98
Components of defined benefit costs recognised in profit or loss	394.17	386.10
Net actuarial (gain)/loss	(74.73)	171.27
Expected return on plan assets excluding interest income	(37.32)	(140.51)
Components of defined benefit costs recognised in other comprehensive income	(112.05)	30.76
I. Net asset/(liability) recognised in the balance sheet as at 31 March		
1. Present value of defined benefit obligation	3,583.02	3,331.52
2. Fair value of plan assets	2,873.34	2,654.91
3. Deficit	709.68	676.61
4. Current portion of the above	709.68	676.61
II. Change in the obligation during the year ended 31 March		
1. Present value of defined benefit obligation at the beginning of the year	3,331.52	2,876.93
2. Expenses recognised in the statements of profit and loss		
- Current service cost	356.38	350.12
- Interest expense	219.65	191.52
3. Recognised in other comprehensive income		
- Actuarial (gain)/loss arising from experience adjustments	(112.88)	95.87
- Actuarial (gain)/loss arising from financial assumption	38.15	75.41
4. Benefit payments	(249.80)	(258.33)
6. Present value of defined benefit obligation at the end of the year	3,583.02	3,331.52

<This space has been intentionally left blank>

Note 46 - Employee benefits (contd.)

Particulars	(₹ in lakh)	
	Gratuity (Funded plan)	
	31 March 2025	31 March 2024
III. Change in fair value of assets		
1. Fair value of plan assets at the beginning of the year	2,654.91	2,231.64
2. Recognised in the statement profit and loss		
- Expected return on plan assets	181.86	155.54
3. Recognised in other comprehensive income		
- Actual return on plan assets in excess of the expected return	37.32	140.51
4. Contributions by employer (including benefit payments recoverable)	249.05	385.55
5. Benefit payments	(249.80)	(258.33)
7. Fair value of plan assets at the end of the year	2,873.34	2,654.91

IV. The major categories of plan assets

The Company made annual contribution to the Birla Sun Life Insurance Company Limited ('BSL') of an amount advised by the BSL. The Company was informed by BSL that the planned assets are held in growth/fixed interest bonds.

V. Actuarial assumptions

	31 March 2025	31 March 2024
1. Discount rate	6.85%	6.97%
2. Expected rate of increase in compensation level	6.50%	6.50%
3. Expected rate of return on plan assets	6.85%	6.97%
4. Attrition rate	1.00%	1.00%
5. Mortality table	IALM 2012-15	IAM 2012-15
6. Superannuation age	58	58

VI. Sensitivity analysis

Particulars	(₹ in lakh)	
	31 March 2025	
	Change in assumption	Effect on gratuity obligation
Discount rate	0.50%	(154.19)
	-0.50%	167.28
Expected rate of increase in compensation level	0.50%	166.49
	-0.50%	(154.87)

The above sensitivity analysis is based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (projected unit credit method) has been applied as when calculating the defined benefit obligation recognised within the balance sheet.

VII. Experience adjustments :

Particulars	(₹ in lakh)				
	Year Ended				
	31st March 2025	31st March 2024	31st March 2023	31st March 2022	31st March 2021
1. Defined benefit obligation	3,583.02	3,331.52	2,876.93	2,170.41	563.86
2. Fair value of plan assets	2,873.34	2,654.91	2,231.64	2,065.95	496.17
3. Surplus/(deficit) unfunded asset	(709.68)	(676.61)	(645.29)	(104.46)	(67.69)
4. Experience adjustment on plan liabilities gain/(loss)	112.88	(95.87)	(12.54)	53.53	20.97

The expected rate of return on plan assets is based on the average long term rate of return expected on investments of the fund during the estimated term of obligation.

The estimate of future salary increases, considered in actuarial valuation, takes into account inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

<This space has been intentionally left blank>

Note 46 - Employee benefits (contd.)

C. Other long-term benefits - Compensated absences (unfunded)

	(₹ in lakh)

Note 53 - Leases

The company recorded the lease liability at the present value of the future lease payments discounted at the incremental borrowing rate and the right of use asset. Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

Break-up of current and non-current lease liabilities as at:

Particulars	(₹ in lakh)	
	As at 31 March 2025	As at 31 March 2024
Current lease liabilities	2,027.75	2,243.65
Non current lease liabilities	10,922.10	13,606.73
Total	12,949.85	15,850.38

Movement in lease liabilities during the year ended:

Particulars	(₹ in lakh)	
	As at 31 March 2025	As at 31 March 2024
Balance at the beginning	15,850.38	18,144.50
Addition	606.83	757.68
Finance cost accrued during the period	920.57	1,127.08
Deletions /adjustment	(1,542.70)	(722.45)
Payment of lease liabilities	(2,885.23)	(3,456.43)
Balance at the end	12,949.85	15,850.38

Details regarding the contractual maturities of lease liabilities on an undiscounted basis:

Particulars	(₹ in lakh)	
	As at 31 March 2025	As at 31 March 2024
Less than one year	2,804.00	3,217.57
One to five years	8,995.21	10,257.77
More than five years	4,008.21	6,342.98
Total	15,807.42	19,818.32

Rental expense recorded for short-term leases was ₹ 654.69 lakh (previous period ₹ 547.18 lakh) for the year ended 31st March 2025

<This space has been intentionally left blank>

Note 54 - Corporate social responsibility

In accordance with the provisions of section 135 of the Act, the Board of Directors of the Company had constituted a Corporate Social Responsibility (CSR) Committee. In terms, with the provisions of the said Act, the Company was to spend a sum of ₹ 281.84 lakh (previous year ₹ 255.36 lakh) towards CSR activities during the year ended 31 March 2025. The CSR Committee has been examining and evaluating suitable proposals for deployment of funds towards CSR initiatives, however, the committee expects finalization of such proposals in due course. During the year ended 31 March 2025, the Company has contributed the following sums towards CSR initiatives. (Refer note 43)

Note 58 - Social security code

The Code on Social Security, 2020 ('Code') relating to employee benefits during employment and post-employment benefits received Indian Parliament's approval and Presidential assent in September 2020. The Code has been published in the Gazette of India and subsequently, on November 13, 2020, draft rules were published and stakeholders' suggestions were invited. However, the date on which the Code will come into effect has not been notified. The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective.

Note 59 :- Dividend declaration

The Board of Directors have recommended a dividend of 5% i.e. ₹ 0.10 (previous year ₹1) per fully paid up equity share of face value ₹2 each and ₹0.05 (previous year ₹0.50) per partly paid up equity share of face value ₹2 each (paid up value ₹1 per equity share) for the year ended 31st March 2025. The dividend is in proportion to the amount paid-up on each equity share of face value of ₹2 each and is subject to the approval of shareholders in the ensuing Annual General Meeting.

Hindware Limited

Notes forming part of Standalone Financial Statements

Note 61 - Audit Trail

The Company has a widely used ERP as its accounting software for maintaining its books of account during the year ended 31st March 2025, which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year except (a) at database level the audit trail has not been enabled, (b) at application the audit trail was disabled from 2nd December 2024 to 09th December 2024 due to upgradation of SAP accounting software, and (c) the audit trail feature was not enabled on certain relevant financial tables and privileged access to specific users to make direct changes to audit trail settings. Further, the audit trail, to the extent maintained in the prior year, has been preserved by the company as per the statutory requirements for record retention.

Note 62 - GST

The annual return of GST for FY 2024-25 is under process of filing with statutory authorities. The management believes that there will not be any material impact over financial statements after financial submission/filing. The date of filing of GST returns are 31st December, 2025

Note 63 - Scheme of Arrangement

The Board of Directors of the Company, in its meeting held on 27 March 2025 had approved a Composite Scheme of Arrangement ("the Scheme") under section 230 to 232, read with section 66 and other applicable provisions of the Companies Act 2013 and the provisions of other applicable laws, amongst the Company ("Transferee Company"), Hindware Home Innovation Limited ("Demerged Company/Remaining Transferor Company"), HHIL Limited ("Resulting Company") and their respective shareholders and creditors. The Scheme provides for the demerger of the Consumer Products Business of the Demerged Company and the amalgamation of the Remaining Transferor Company (as defined in the Scheme) with and into Transferee Company. The Appointed Date for the Scheme is 1st April 2025 or such other date as may be mutually agreed by the respective Board of the Companies or any such date approved by the Hon'ble National Company Law Tribunal ("NCLT") or any other competent authority. The Scheme is subject to the approval of the BSE Limited, the National Stock Exchange of India Limited, SEBI, shareholders and creditors of the Company and such other necessary approvals as may be required and sanction thereof by the NCLT.
